EDUCATION ACHIEVEMENT AUTHORITY of Michigan

About the Education Achievement Authority: The Education Achievement Authority of Michigan (the “EAA”) is a statewide school system that will assume operation of the lowest five (5) percent of performing schools in the state of Michigan that are not achieving satisfactory results on a redesign plan or that are under an Emergency Manager. It is designed to provide a new, stable, financially responsible set of public schools that create the conditions, supports, tools and resources under which teachers can help students make significant academic gains. It has been initially applied to underperforming schools in Detroit and will ultimately be expanded to include low performing schools throughout Michigan.

Equal Opportunity: It is the public policy of the EAA, at all levels of procurement, to promote equal opportunity in employment and contracting opportunities. Additionally, the EAA endeavors to promote and encourage the participation of Minority Business Enterprises (“MBEs”), Women Business Enterprises (“WBEs”) and small and other disadvantaged business entities, as defined by the Small Business Administration. Therefore, the EAA is committed to pursue such avenues in its employment and contracting activities, which will further the goals of this policy. Similarly demonstrated commitment, consistent with the goals of this policy, by those with whom the EAA of Michigan does business, is highly desirable.
