The **Appendix Report** is designed to provide the most in-depth information about a school's results on each metric of the Performance Framework. Use the column definitions on this first page to review the information on the subsequent pages.

<b>Current Year</b>	The school's 2014-15 result for a metric
<b>Comparison</b>	The type of comparison (i.e., similar schools, all schools, prior year(s))
<b>Rating</b>	The school's metric rating (i.e., <b>Very Low</b> , <b>Low</b> , <b>Intermediate</b> , <b>High</b> , or <b>Very High</b> )
<b>Pts Earned</b>	The number of points earned for a metric result and rating (1-10 points possible)
<b># of Schools</b>	The number of schools whose results are included in the comparison group (e.g., the group of similar schools, etc.)
<b># of Prior Years</b>	The number of prior years of results that are included for the comparison group

<b>Min Value [V. Low]</b>	The <b>lowest</b> metric result for <b>any school</b> in the comparison group. If this is the only cell highlighted, the school's metric result received a <b>Very Low</b> rating.
<b>Low</b>	The minimum result needed to earn a <b>Low</b> rating (metric results below this value receive a <b>Very Low</b> rating). This number is the same for <b>all schools</b> in the comparison group. If this is the farthest-right cell that is highlighted, the school's metric result received a <b>Low</b> rating.
<b>Intermediate</b>	The minimum result needed to earn an <b>Intermediate</b> rating (metric results below this value receive a <b>Low</b> , or <b>Very Low</b> rating). This number is the same for <b>all schools</b> in the comparison group. If this is the farthest-right cell that is highlighted, the school's metric result received an <b>Intermediate</b> rating.
<b>High</b>	The minimum result needed to earn a <b>High</b> rating (metric results below this value receive an <b>Intermediate</b> , <b>Low</b> , or <b>Very Low</b> rating). This number is the same for <b>all schools</b> in the comparison group. If this is the farthest-right cell that is highlighted, the school's metric result received a <b>High</b> rating.
<b>V. High</b>	The minimum result needed to earn a <b>Very High</b> rating (metric results below this value receive a <b>High</b> , <b>Intermediate</b> , <b>Low</b> , or <b>Very Low</b> rating). This number is the same for <b>all schools</b> in the comparison group. If this is the farthest-right cell that is highlighted, the school's metric result received a <b>Very High</b> rating.
<b>Max Value</b>	The <b>highest</b> metric result for <b>any school</b> in the comparison group.

<b>Min Value [Sig Declined]</b>	The lowest <b>possible</b> metric result on a particular metric. If this is the only cell highlighted, the school's metric result received a <b>Significantly Declined</b> rating.
<b>Declined</b>	The minimum metric result needed to earn a <b>Declined</b> rating. If this is the farthest-right cell that is highlighted, the school's metric result received a <b>Declined</b> rating.
<b>Maintained(-)</b>	The minimum metric result needed to earn a <b>Maintained(-)</b> rating. If this is the farthest-right cell that is highlighted, the school's metric result received a <b>Maintained(-)</b> rating.
<b>Maintained(+)</b>	The school's average metric result for the prior years included in the comparison, and the minimum result needed to earn a <b>Maintained(+)</b> rating. If this is the farthest-right cell that is highlighted, the school's metric result received a <b>Maintained(+)</b> rating.
<b>Improved</b>	The minimum metric result needed to earn an <b>Improved</b> rating. If this is the farthest-right cell that is highlighted, the school's metric result received an <b>Improved</b> rating.
<b>Significantly Improved</b>	The minimum metric result needed to earn a <b>Significantly Improved</b> rating. If this is the farthest-right cell that is highlighted, the school's metric result received a <b>Significantly Improved</b> rating.
