The **Appendix Report** is designed to provide the most in-depth information about a school's results on each metric of the Performance Framework. Use the column definitions on this first page to review the information on the subsequent pages.

|                         |  |
|-------------------------|--|
| <b>Current Year</b>     | The school's 2014-15 result for a metric   |
| <b>Comparison</b>       | The type of comparison (i.e., similar schools, all schools, prior year(s))   |
| <b>Rating</b>           | The school's metric rating (i.e., <b>Very Low</b> , <b>Low</b> , <b>Intermediate</b> , <b>High</b> , or <b>Very High</b> ) |
| <b>Pts Earned</b>       | The number of points earned for a metric result and rating (1-10 points possible)  |
| <b># of Schools</b>     | The number of schools whose results are included in the comparison group (e.g., the group of similar schools, etc.)        |
| <b># of Prior Years</b> | The number of prior years of results that are included for the comparison group  |

|                           |  |
|---------------------------|--|
| <b>Min Value [V. Low]</b> | The <b>lowest</b> metric result for <b>any school</b> in the comparison group. If this is the only cell highlighted, the school's metric result received a <b>Very Low</b> rating.   |
| <b>Low</b>                | The minimum result needed to earn a <b>Low</b> rating (metric results below this value receive a <b>Very Low</b> rating). This number is the same for <b>all schools</b> in the comparison group. If this is the farthest-right cell that is highlighted, the school's metric result received a <b>Low</b> rating.   |
| <b>Intermediate</b>       | The minimum result needed to earn an <b>Intermediate</b> rating (metric results below this value receive a <b>Low</b> , or <b>Very Low</b> rating). This number is the same for <b>all schools</b> in the comparison group. If this is the farthest-right cell that is highlighted, the school's metric result received an <b>Intermediate</b> rating.                             |
| <b>High</b>               | The minimum result needed to earn a <b>High</b> rating (metric results below this value receive an <b>Intermediate</b> , <b>Low</b> , or <b>Very Low</b> rating). This number is the same for <b>all schools</b> in the comparison group. If this is the farthest-right cell that is highlighted, the school's metric result received a <b>High</b> rating.                        |
| <b>V. High</b>            | The minimum result needed to earn a <b>Very High</b> rating (metric results below this value receive a <b>High</b> , <b>Intermediate</b> , <b>Low</b> , or <b>Very Low</b> rating). This number is the same for <b>all schools</b> in the comparison group. If this is the farthest-right cell that is highlighted, the school's metric result received a <b>Very High</b> rating. |
| <b>Max Value</b>          | The <b>highest</b> metric result for <b>any school</b> in the comparison group.  |

|                                 |  |
|---------------------------------|--|
| <b>Min Value [Sig Declined]</b> | The lowest <b>possible</b> metric result on a particular metric. If this is the only cell highlighted, the school's metric result received a <b>Significantly Declined</b> rating.   |
| <b>Declined</b>                 | The minimum metric result needed to earn a <b>Declined</b> rating. If this is the farthest-right cell that is highlighted, the school's metric result received a <b>Declined</b> rating.   |
| <b>Maintained(-)</b>            | The minimum metric result needed to earn a <b>Maintained(-)</b> rating. If this is the farthest-right cell that is highlighted, the school's metric result received a <b>Maintained(-)</b> rating.   |
| <b>Maintained(+)</b>            | The school's average metric result for the prior years included in the comparison, and the minimum result needed to earn a <b>Maintained(+)</b> rating. If this is the farthest-right cell that is highlighted, the school's metric result received a <b>Maintained(+)</b> rating. |
| <b>Improved</b>                 | The minimum metric result needed to earn an <b>Improved</b> rating. If this is the farthest-right cell that is highlighted, the school's metric result received an <b>Improved</b> rating.   |
| <b>Significantly Improved</b>   | The minimum metric result needed to earn a <b>Significantly Improved</b> rating. If this is the farthest-right cell that is highlighted, the school's metric result received a <b>Significantly Improved</b> rating.   |
